Vet and Kennel Contact Information

These contacts are only for emergency use. While we will do everything in our power to keep your pet safe and happy while in our care, accidents and emergency situations can still happen. Because of this, you will be required to have a card on file with your vet in order to receive our services. This ensures your pet will still receive needed care even if you are unable to be reached. You will also be required to file a vet release form so that there are no barriers between your pet and receiving medical care if anything were to happen.

If your emergency contact is not willing or able to take your pet(s) in case there is an emergency, you will be requested to have your preferred boarding kennel on file. We hope to never need to use this, but it is important to have just in case anything were to happen and we are not able to continue providing care for your pet. This could be an unexpected extension of your time away, undisclosed or new aggressive behaviors, etc. We will make every effort possible to avoid this situation but it is very important to have a plan just in case!

Vet and Kennel Release Form

****This release is valid until the client notifies Fabled Farm & Pet Sitting that they would like to discontinue services****

I understand that in the event of an emergency, Fabled Farm & Pet Sitting will make every effort to contact me. In the event I cannot be reached, I authorize the following:

In the event of illness or injury, I authorize Fabled Farm & Pet Sitting to seek appropriate medical treatment for my pet(s). I understand that every effort will be made to get my pet(s) to the specified vet clinics listed on the contact form if the situation permits; however, Fabled Farm & Pet Sitting has the authority to seek treatment at another clinic if absolutely needed for the well-being of the pet(s).

In the event of unforeseen circumstances, I authorize Fabled Farm & Pet Sitting to transfer care to my emergency contact or kennel of choice listed in the contact form. This can be something like an unexpected extension to my time away or aggression that was unexpected or undisclosed to the sitter, or other unforeseen circumstances that would prevent them from reasonably or safely caring for my pet(s).

I understand that Fabled Farm & Pet Sitting is unable to pay medical bills on behalf of myself and agree to have my credit card on file with my preferred vet and emergency vet. Any additional costs incurred by Fabled Farm & Pet Sitting such as time off of work or travel expenses because of an emergency, not to exceed \$100, will be paid at the time the services end along with the remaining balance for the services I was provided.
